School address:	Av. Ignacio Zaragoza S/N, Col. Centro, Atitalaquia, Hidalgo, México.
Zip Code:	42970
School URL:	https://www.cetis26.edu.mx
PR message:	“To reach the future with our own technology”

Our school:

CETIS 26 offers technical education, the students can either study a technical career to start a new job or continue with higher education in Technological Institutes or Universities, so the students get practical abilities as well as scientific knowledge. The junior high school certificate is necessary to enter this level.

Prototypes Fairy

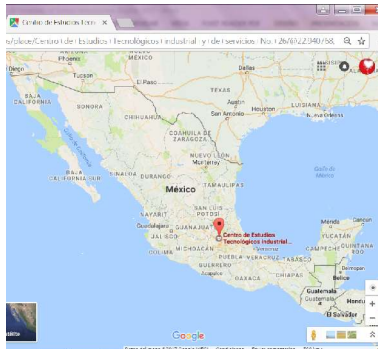

At the end of each study semester, the school carries out the Prototypes Fairy for all specialties. In it, students show their creativity and knowledge to solve some community problems.

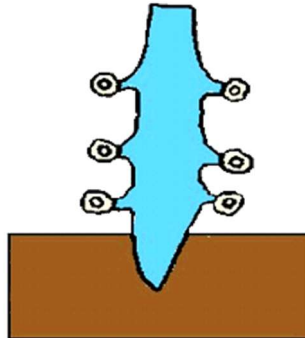

Reinforcing and developing the social-emotional skills.

School name: CETIS 26 Technical High School

The Centre for Industrial and Services Technological Studies (CETIS 26 by its Spanish acronym) is a public school, it was established in 1978 in the municipality of Atitalaquia in the Mexican State of Hidalgo. CETIS 26 is one among 14 Hidalgo State's technical schools. Atitalaquia is located 70 km from the State Capital, Pachuca and 80 km away from Mexico City.

Location

Atitalaquia: the name comes from the ancient language "Nahuatl": Ati "water", talaquia "entry"; meaning "place where water is summarized"

Atitalaquia is close to the Tula archeological city, the place of the amazing monoliths of the ancient warriors, "Los Atlantes de Tula".

With the theme "In our school there are places for all" since 2015, our school provides special attention for people with disabilities, aim of this theme is to develop their skills to get a better-quality life. The other students are now developing prototypes for supporting them in their basics necessities.
